

HOROSCOPES

ARIES – Mar 21/Apr 20

Aries, money is the root of all evil for you this week. You may let greed get the better of you. Thursday is a good day for turning things around.

TAURUS – Apr 21/May 21

Think long and hard on things before you make a big decision, Taurus. Examine all sides and you just may find that you're doing it all for the wrong reasons.

GEMINI – May 22/June 21

Sometimes there's no place like home to provide that quiet retreat that you crave, Gemini. But since staying home all the time is not an option, you have to learn how to chill out elsewhere.

CANCER – June 22/July 22

This is a special time for you, Cancer. The stars are aligning in just the right way to bring you financial success and a wealth of friendship as well.

LEO – July 23/Aug 23

Leo, it's time to get off the express train to nowhere and figure out what you want to do with your life for the next few months. Get a plan and put it in action.

VIRGO – Aug 24/Sept 22

Normally you're the first to join in with anything, Virgo. But this week you're certainly not the life of the party. Banish this serious case of the grumpies.

LIBRA – Sept 23/Oct 23

It's remarkable what you can accomplish when you put your mind to things, Libra. This week is full of surprises and some will trickle over into next week as well.

SCORPIO – Oct 24/Nov 22

Scorpio, being helpful and being bossy are two different things. But you're having trouble telling the difference between them. Rethink your approach.

SAGITTARIUS – Nov 23/Dec 21

Sagittarius, constantly checking up on a coworker is not going to make him or her move any faster. In fact, it could incite this person to slow down progress even further.

CAPRICORN – Dec 22/Jan 20

Hand over the leadership reins to another person, Capricorn. You're entitled to a well-deserved break this week. It's okay to watch things from the sidelines.

AQUARIUS – Jan 21/Feb 18

Stop worrying about your finances, Aquarius. Your investments, bank accounts and other financial ventures are all picture-perfect. Splurge on something you want.

PISCES – Feb 19/Mar 20

Sharp words and barbs may win the fight in the immediate future, Pisces, but they can also have long-term effects.
